NOTICE OF CLOSURE

The Department of Environmental Quality (DEQ), Water Quality Division (WQD) issued Notice of Violation (NOV) Docket Number **4076-07** on June 7, 2007 to the Reliance Sewer District. The NOV alleged that the Reliance Sewer District discharged wastewater from evaporative lagoons without a permit from WYPDES in violation of W.S. 35-11-301. This is a violation of the Wyoming Environmental Quality Act (Act) and applicable Wyoming Water Quality Rules and Regulations (WWQRR).

The Reliance Sewer District has since disbanded and reformed into a new district called the North Sweetwater Water and Sewer District. The allegations asserted in the NOV **4076-07** will be carried forth into the new NOV and Order 5080-12 that will be issued to North Sweetwater Water and Sewer District.
